Agreement

Jordan Airports Company (JAC) & Free Zones Company have signed on Monday, June 9, 2014, an agreement to lease a plot of land (700) Dunums at Queen Alia International Airport from the lands which are managed by Jordan Airports Company. This agreement will increase the land area already leased to the Free Zones Company last year to become a total of (1000) Dunums.

The new Free Zone project with its strategic location at Queen Alia International Airport which is growing rapidly in passenger and cargo movement, will serve Free Zone Company's objective to meet the expected demand from investors in various aviation related sectors.
